3. Request to limit access to information.
(Optional - complete only if applicable)

☐ I have reason to fear domestic violence or child abuse. For this reason, please limit access to information about me in the Child Support & Paternity Case Registry to the extent possible. I realize that this request may make it more difficult to assist me in collecting child support. I also understand that the other party and the public might still view information about my case under some circumstances.

Under penalty of perjury, I affirm that this request is legitimately made and not designed to harass or intimidate the other party or mislead the court.

NOTE TO COURT CLERK:

DO NOT PLACE THIS INFORMATION SHEET IN THE COURT FILE.

DOMESTIC RELATIONS INFORMATION SHEET INSTRUCTIONS

If you need more space to write, you can attach a separate sheet with the information.

To Petitioner:

If you and your spouse or the other person who owes child support have agreed on everything before this case was filed, then you must give the *Information Sheet* to the court clerk with your petition.

If you do not agree it means the case is *contested*. If the case is contested, you **MUST** do two things:

1. give the information sheet to the court clerk; and
2. have a sheriff or process server give a blank copy of the *Information Sheet* to your spouse or other person who owes child support.

To Respondent:

You must submit the information sheet when you file your first paper with the court. You must write the name of the judge and the case number on the *Information Sheet*. You can find that information on the papers the petitioner gave you.

After you fill out this form, you will need to submit the other paper work required by law. If you choose to represent yourself in a claim, you may still wish to talk with an attorney to discuss your rights. The people who work in the court cannot give you legal advice.

Purpose:

You must give the information requested on the sheet for the State Case Registry. This information is required by federal and state law. The information is needed to identify and keep up with your case. If your child(ren) do not receive the child support ordered, this information will help the court get the money for your child(ren).

If you have more than one social security number, include all social security numbers. Social security numbers will be given to state and federal agencies which are required by law to collect the information. Social security numbers will not be given to the public.

Your addresses are used by the court to obtain feedback from both of you.
